

Curriculum Vitae

Name:	Anna Echterhölter	
Address (office):	Univ.-Prof. Dr. phil. Anna Echterhölter University of Vienna Institute of History Universitätsring 1 1010 Vienna Austria T + 43 1 4277 40 865 anna.echterhoelter@univie.ac.at	
Address (Home):	Südtiroler Platz 8 / 12 1040 Vienna Privat + 49 151 7083 2083 echterhoelter@hotmail.com	
Current position:	Professor of Modern history: History of Science at the Institute of History, University of Vienna	since III / 2018
Past employment:	Associate Professor (wiss. Mitarbeit), at the Institute for Cultural History and Theory, Humboldt University of Berlin, from 2009 to 2011 at the Cluster of Excellence "TOPOI" (50%/50%)	VI / 09–XII / 16
	Associate Professor (wiss. Mitarbeit), Collaborative Research Centre 644 "Transformations of Antiquity" project: "Transformations of Chronology"	III / 08 – V / 09
	Research Assistant (wissenschaftliche Mitarbeiterin) at the science and art exhibition "Science + Fiction – between nanoworld and global culture," thematic exhibition at Sprengel Museum Hannover, ZKM Karlsruhe, Deutsches Hygiene-Museum Dresden, Deutsches Museum München, Nobel Museum Stockholm, National Museum of Emerging Science and Innovation Tokyo	X / 01 – XII / 02
Interim Professorships:	Interim Professor, Chair of History of Technology (previously Wolfgang König, 50%), Technical University Berlin	X / 17 – II / 18
	Interim Professor, Chair of Cultural History (previously Thomas Macho, 50%), HU Berlin	X / 16 – IX / 17
	Interim Junior Professorship, Chair of History of Human Sciences, HU Berlin	IV / 14 – X / 14
Education:		
venia legendi ¹	Cultural History and Theory, HU Berlin	08.II.2017
Ph.D.	German Literature, HU Berlin "summa cum laude" Supervisors: Hartmut Böhme, Lorraine Daston	15.IV.2009
Magistra ²	German Literature, Cultural History and Theory Free University Berlin, 1,1, Supervisors: Hans-Jürgen Schings, Hartmut Böhme	25.VI.2001
Honors and Fellowships:	Predoc-Fellowship, Gerda Henkel Foundation	I / 04 – VII / 06
	Predoc-Fellowship, Max-Planck-Institute for the History of Science, Berlin	III / 07 – VII / 07
	Postdoc-Fellowship, Max-Planck-Institute for the History of Science, Berlin	X / 14 – IV / 15
	German Historical Institute Washington D.C., Fellow for the History of Knowledge "Governmental Moneys – Rationing Devices in the History of Economic Anthropology"	I / 16 – X / 16

¹ Second thesis or "Habilitation," assessed as either pass or fail

² Equivalent to M.A.: the prior standard degree in the humanities, assessed on a scale of 1,0 (best) to 5,0 (fail)

Current Research:	Data colonialism and colonial statistics, subproject within “How is Artificial Intelligence Changing Science? Research in the Era of Learning Algorithms,” planning grant and full grant, Volkswagen Foundation Hannover	since 2020
	“Indigenous Law in German New Guinea,” together with Daniel Midena, University of the South Pacific, Fiji	since 2019
	“Tokens. A History of Regulation”	since 2018
Member of	DFG-Network: Global Cultures of Enquête: Towards a Praxeology of Surveying (17th–21st Century)	since 2024
	editor of the journal “Science in Context”	since 2022
	online discussion groups: “Anthropocene History” (IHR London, UCL, Oxford, Cambridge), “Epistemologies of Welfare” (Lucerne, Zürich, Berlin), “Society for the Social Studies of Quantification” (Paris, London, UCLA)	since 2020
	“The State Multiple: Practices, Resources and Sites of Planning,” working group at University of Vienna	2018–2021
	“History of Bureaucratic Knowledge,” international working group at the MPIWG	2016–2020
	“Ökonomie/Oikonomia,” junior research group, at the Cluster of Excellence TOPOI, Berlin	2011–2015
	<i>ilinx</i> editorial network (peer reviewed journal, book series)	since 2009

Conferences and Workshops Organized:

- “Clustering: Automated Order in the Social Sciences”, international workshop organised together with Markus Elias Ramsauer for the working group “How is AI Changing Science”, and with the International Research Center for Cultural Studies (ifk) Vienna, 28-29.11.2024.
- “Informationsmaschinen. Zur Vorgeschichte großer Analysen.“ Panel anlässlich der Jahrestagung der GWMT, gemeinsam mit Markus Elias Ramsauer, Sascha Freyberg, Rudolf Seisig, Mensch-Maschine-Mobilität, Ingolstadt 15.9.2023.
- “The Metrics of Energy. Accounting for Nature in the History of Social Science and Ecological Economics” International workshop, organised by Anna Echterhölter and Marco Vianna Franco, with the IHS research group Energy, Environment, and Sustainable Economic Structures, Vienna 15.-16.6.2023
- “Beyond Quantity. Research with Subsymbolic AI,” opening conference of the VWS research project “How is AI Changing Science” (Echterhölter/Schröter/Sudman/Waibel) in cooperation with Sorbonne Center for Artificial Intelligence (SCAI), Paris 3, 21–23.10.2022.
- “Scales, Norms, Limit Values in Times of (Digital) Change,” joint annual meeting of the Society for the History of Technology (GTG) and the Society for the History of the Sciences, Medicine and Technology (GWMT), key organizer together with the Technical Museum Vienna, (c. 100 papers), 17.–19.9.2021.
- “Data at the Doorstep: Sites and Side Effects of Interrogation (c. 1800–1950),” international conference, together with Laurens Schlicht, Sophie Ledebur, at the Institute of Advanced Studies (IHS) Vienna, 24.–25.1.2020.
- “Resource Imaginaries,” international conference, together with Eva Horn for the Vienna Anthropocene Network, 27.–28.11.2019.
- “The Impact of Long Terms: Resource Planning and Social Engineering (ca. 1850–1950),” panel at the Annual Meeting of the History of Science Society, with Sebastian Felten, Sophie Ledebur, Anna Maria Meister, Monika Wulz, Utrecht, 23.–27.7.2019.
- “Reweighing Antiquity. Material Practices of Precision between Science and Humanities,” panel at the Annual Meeting of the History of Science Society in Seattle/USA, with Caesare Parstorino, Markus Krajewski and Julia Kursell (Chair), 2.11.2018.
- “Measuring Risk and Human Needs: New Perspectives from the History of Knowledge,” spring lecture series organised with Simone Lässig (GHI) and Christine von Oertzen (MPIWG), at the German Historical Institute Washington D.C./USA, 2016.
- “Points of Conversion: Quantification and Measurement in Rural India, Germany and Mexico (1800–1940),” panel at the symposium “The Making of Measurement,” 23.6.2015, at CRASSH, University of Cambridge/UK
- “Rationierung. Logiken, Formen und Praktiken des Mangels,” conference organised together with Frederike Felcht, at the Weltkulturen Museum Frankfurt, funded by the Fritz Thyssen Foundation, 4.–5.7.2014.
- “Marginale Ökonomien und ökonomische Marginalisierung seit der Antike,” workshop together with Iris Därmann, TOPOI-Haus Mitte, 27.–28.4.2012.
- “Praktiken. Handliches / Unhandliches,” workshop organised with Iris Därmann, TOPOI-Haus Mitte, 17.6.2011.
- “Die Kraft der Dinge,” Internationale Tagung der Deutschen Gesellschaft für Phänomenologische Forschung, HU Berlin, organised with Iris Därmann (around 100 speakers), 28. 9.–1.10.2011.

Lecture Series, Colloquia and Graduate Workshops:

- International EST Colloquia: A series of seminars with colleagues and students of the new master program “Epistemologies of Science and Technology”, 27. April 2023: Debjani Bhattacharyya: Chair of History of the Anthropocene (Universität Zürich) “Atmospheric Politics in the Indian Ocean”/ 5. Mai 2023: Jamie Petrushka (Rutgers University), together with Christian Dayé, TU Graz, “Towards a new framework for historicizing the future” / 5. June 2023: Simon Schaffer (Cambridge) on the invitation of Martin Kusch (Vienna)
- ongoing: Working group history of science” / “AG Wissenschaftsgeschichte”, it has been convening monthly in Vienna since 1996 with 20 pre-circulated papers, since 2019 organized together with Sebastian Felten and Nils Güttler
- ai\research\explorations II: “Sequence Models and the Scientific Field,” 27.4.2023, online-workshop
- ai\research\explorations I: “AI & the digital transformation,” 19.12.2022, online-workshop (7 interdisciplinary papers)
- “History of Science 2032,” three panels, organised as head of the “Fachverband Wissenschaftsgeschichte” together with Arne Schirmmacher and Christian Reiß, as prequel to the annual conference of the GWMT on the topic of „...Humanities,” University of Erfurt, 19./20.09.2022.
- “Anthropocene History” partnership seminars at the Institute of Historical Research London, co-convened with Sophie Page (UCL), Amanda Power (Oxford), John Sabapathy (UCL), Sujit Sivasundaram (Cambridge) 2020–2021.

- “2nd Pre- and Postdoctoral Workshop: Central, Eastern, and South Eastern European Histories of Science and the Humanities,” Graduate workshop III, together with the working group (East) European Epistemologies (Friedrich Cain, Bernhard Kleeberg, Jan Surman, Lukas Becht) and Claudia Kraft, Vienna, 2.10.2020 (online).
- “Medizingeschichte und Public Health,” graduate workshop II with Birgit Nemeč, Institut für Geschichte und Ethik der Medizin, Universität Heidelberg and Wolfgang J. Weninger, vice-director of the Center for Anatomy and Cell Biology of the Medical University of Vienna (online), 18.6.2020.
- “Human Scales – Die Quantifizierung belebter Körper,” graduate workshop I, Vienna, 9.12.2020.

- “Zerstörte Räume. Neukristallisationen des Sozialen nach der Naturkatastrophe“, lecture series of invited talks organized together with Iris Därmann and Rebekka Ladewig, Cluster of Excellency TOPOI, winter term 2010/11.
- “Colloquiums on Cultural Theory” monthly meetings of the working group “Cultural Theory and Its Genealogies“ at TOPOI Berlin, from 2010–2012.
- “Bewegungsraum,” doctoral colloquia in cooperation with history of science, philology, history within TOPOI (three workshops, 2009–2011).
- “Zwischenraum – Ortsbesuche,” lecture series of invited talks for the Cluster of Excellency TOPOI, together with Iris Därmann, winter term 2009/10.
- ilinx.talks* lectures on cultural theory in different contexts mostly in Berlin, since 2009.

Publications:

Books:

- Metrologien. Zur Wissenschaftsgeschichte einer Infrastruktur. Göttingen: Wallstein (= Reihe Historische Wissenschaftsforschung 25) (in print).
- Daten und Datenkolonialismus, zur Einführung. Hamburg: Junius (under contract).
- Geld und Lizenz. Berlin: August Verlag (=kleine Reihe) (under contract).
- Schattengefechte. Genealogische Praktiken in Nachrufen auf Naturwissenschaftler 1710–1860. Göttingen: Wallstein 2012 (Dissertation). (Reihe “Wissenschaftsgeschichte,” ed. by Michael Hagner und Hans-Jörg Rheinberger).

Third Mission, Art, Thematic Exhibitions:

- “Realfiktion Klimarechnungshof,” series of events to pre enact an Austrian Climate Audit Court, together with Alexa Färber and Milena Bister (Univ. Vienna), Herbert Justnik and Alexander Martos (Volkskundemuseum Wien), 8.5.2021, with among others: Oliver Geden (Berlin/IPCC), Hannah Knox (UCL London), Katharina Rogenhofer

(Klimavolksbegehren Wien), Ilona M. Otto (Graz), 17.6.2021 Elisabeth Nemeth (Univ. Vienna), Shinichiro Asayama (National Institute for Environmental Studies, Tsukuba), Julika Dittrich (Environmental Coalition on Standards, ECOS, Brüssels / Vienna), Cathrin Zengerling (Univ. Freiburg). 2.12.22: Klimarechnungshof III, with among others Oliver Marchart, Eva Horn

“Stay in Touch,” commented reading list of texts that theoretically reflect on the Covid 19 pandemic, ed. by Karin Harrasser 2020, <http://stay-in-touch.org>.

“Ars Electronica,” Linz, opening talk at the symposium, “Avoidable Delay. Measuring Error in Practice,” together with Andreas Wolfsteiner, 7.11.2018.

“1948: Technosphere Unbound,” Haus der Kulturen der Welt/Max Planck Institute for the History of Science, contributions to the sessions on »Switches« and »Tokens«, Berlin, 2/3.12.2017.

Discussant at the art project COOP 3000: eine neo-solidarische concerngründung, Matthaei & Konsorten, Bochum, July 2017.

“Berge, Meere und Giganten,” discussion series on modern moneys with Stephan Heidenreich, Hendrik Blumentrath, Erik Stein, Berlin-Kreuzberg 2017.

Tonargumente.org: Organization of an online-platform with 120 talks on cultural theory by Philippe Descola, Homi Bhabha, Christoph Menke, Peter Galison, Elena Esposito, Tim Ingold, Anke te Heesen among others: 2010-2014, www.tonargumente.org (due to the end of the TOPOI cluster this page currently in transfer).

Picture desk and assistant to a working group on global scientific imagery, results u.a. in: Marksches, Christoph/Reichle, Ingeborg u.a. (Ed.): Atlas der Weltbilder. Berlin: Akademie 2011.

Venice Biennale: Echtherhölter, Anna/Schiedon, Fons: Sheer Things: Aesthetic and Less Aesthetic Extremes of Collecting. In: The Collectors. Danish and Nordic Pavilions, 53rd Venice Biennale: the Publication. Ed. by Elmgreen and Dragset/Rebekka Ladewig. København: The Danish Arts Council 2009.

“This Situation,” Tino Sehgal, 2007, Hamburger Bahnhof Berlin, for the price of the Nationalgalerie für Junge Kunst, participation in a discursive choreography for 3 months.

Science and art exhibition: “Designing Nature. Models, Molecules, Architecture.” Curated by Stefan Iglhaut, Thomas Spring and Datenflug, Bonn 2004 (Picture desk for displays and catalogue).

Science and art exhibition: “Science + Fiction. Between Nanoworld and Global Culture,” on show at ZKM Karlsruhe, Hygiene Museum Dresden, Nobel Museum Stockholm, Museum of Emerging Science and Innovation in Tokio among others, scientific consultant to the curators 2001–2003, science & art workshops, History of Science input, picture desk for exhibition and catalogue: Ed. by Iglhaut, Stefan / Spring, Thomas (Ed.): 2 vols. Berlin: Jovis 2002, with essays by Homi Bhabha, Helga Nowotny, Barbara Maria Stafford, Peter Weingart amongst others.

Service to the Community:

Co-editor of the journal “Science in Context”, Cambridge University Press, since 2022, with Yossef Schwarz and Jürgen Renn.

Co-editor of the book series „Historische Wissensforschung“, Göttingen/Wallstein since 2021, the previous 15 vols. with Mohr Siebeck, together with Bernhard Kleeberg and Andreas Langenohl.

Elected spokesperson of the “Fachverband Wissenschaftsgeschichte,” 2021-2024.

Functions at University of Vienna: Spokesperson of the Key Research Area History of Science at the Faculty of Historical and Cultural Studies, University of Vienna since 2019 (co-speaker with Nils Güttler since 2022 and Sebastian Felten since 2024), elected vice-spokesperson of the Professorenkurie (monthly meeting of 10 institutes), elected member of the Fakultätsrat (10 institutes) since 2020, member of the dissertation committee of the faculty for historical and cultural studies since 2022, affiliated with two branches of the Vienna Doctoral School of Historical and Cultural Studies, a) Social and Economic Spaces / b) State, Politics and Governance in Historical Perspective

Member of scientific societies: History of Science Society, Gesellschaft für Geschichte der Wissenschaft, Medizin und Technik.

Reviews for: ERC, VolkswagenStiftung, selection panel MPG, ISRF-MPIWG scholarship programme, advisory board Masaryk Institute and Archives of the Czech Academy of Sciences CZ, Riksbankens Jubileumsfond SWE, peer review for: ISIS, Modern Intellectual History, Vienna Circle Institute Yearbook, Centaurus, Zeitschrift für Technikgeschichte, Zeitschrift für Medienwissenschaft, ETH Zürich, Journal Statistique et Société.

ilinx-Redaktion: Founding member of the first peer reviewed journal for cultural history and theory at Spector Books Leipzig, previously Philo Fine Arts, book series *ilinx*-kollaborationen *ilinx* 6, 2024 Apparate | administrative tools, ed. by Tilman Richter, Caspar Fridolin Lorenz, Anna Echtherhölter, Stuttgart Metzler / *ilinx* 5, 2024 Brachen, ed. by Katja Kynast, Stephan Zandt, / *ilinx* 4, 2017 – Workarounds. Presentations

- “On the Violence of Foreign Horizons. Data and Proverb Collection as Sympathetic Means of Governance in Colonial Samoa” precirculated paper, working group of the research group “Applied Humanities – Genealogy and Politics,” HU-Berlin, 12.1.2025.
- Response to Christine von Oertzen, at “Rhetoric and Remains of the Field: Intentionality and Materiality in the Struggle for Reality”, Second Meeting of the DFG research network Global Cultures of Enquête. Towards a praxeology of surveying (17th-21st Century), Bremen University, 5-6.12.2024
- “Pacific Patterns of Justification: Demanding and Translating Rights (1884–1914)” at the first public colloquium of the institute of advanced studies “Applied Humanities”, response by Viktoria Tkaczyk, Berlin, 12.11.2024.
- “Pacific Patterns of Justification. Nature and Management of Nature in German Colonial Collections of Indigenous Law (1884-1914),” lecture series Heritage & Justice. Unpacking legal Narratives in Natural History. Organised by Ina Heumann at the Center for Humanities of Nature of the Museum für Naturkunde Berlin, 4.12.2024.
- “Introduction” together with Markus Elias Ramsauer for the international workshop “Clustering: Automated Order in the Social Sciences”, organised for the working group “How is AI Changing Science”, and with the International Research Center for Cultural Studies (ifk) Vienna, 28-29.11.2024.
- “Data Protection. On the Failed Promotion of Indigenous Law in German Colonial Statistics” at the conference “Recent trends in social studies of quantification” organized by Emanuel Didier, Society for the Social History of Quantification / Centre Maurice Halbwachs, University of Paris, 19.-21.6.2024.
- “Reframing values. On Local Units of Account and their Protection by the German Colonial Administration”, at the conference “Recovering the Values of Accounting: the Backbone of Human Deliberation” organized by Federico D’Onofrio and Harro Maas, University of Lausanne, 6./7.6.2024.
- “German Enquetes on Indigenous Law” at the opening event of the DFG research network "Global Cultures of Enquête: Towards a Praxeology of Surveying (17th-21st Century)", by Martin Herrnstadt (Universität Konstanz); Amadou Dramé (Université Cheikh Anta Diop); Léa Renard at the Centre Marc Bloch, Berlin, 2./3.5.2024.
- “Contract Time, Or How to do Things with Units” Keynote at the conference “Reckoning With Everything - Mit Allem Rechnen”, organized by Bernhard Siegert for the final session of the NOMIS-Project THE NEW REAL, Bauhaus University, Weimar, 26.-28.3.2024.
- “Der Fregattvogel zwischen Jagdkollektiv und Beute. Eigentumskategorien von Nauru aus gesehen“ at the workshop Kolonialismus und Konsum. Natur und Eigentumsökonomien im 19. und 20. Jahrhundert, organisiert von Bernhard Kleeberg, Universität Erfurt, 8.12.2023.
- “Silent Architects: Negotiating Categories in the German Commission for the Study of Native Law, c. 1907/08” as part of the HSS panel “Categorising Humanity: Papers Tools and the Nascent Human Sciences” with Dan Rosenberg, Staffan Müller-Wille, Matthew Eddy, Chair: Ted Porter, History of Science Society in Portland, 11.11.2023.
- “Sieben Tage im Leben der Lise Meitner,“ Lise Meitner Gedenken Universität Wien, 24.10.2023.
- “Commentary to Universities during WWII” at the workshop “(Re)Thinking the University from, in, and beyond (Post-)Socialist Europe,“ organisiert von Elisa Satjukow und Friedrich Cain, Fakultätszentrum für transdisziplinäre historisch-kulturwissenschaftliche Studien, 28.9.2023.
- “Eine kurze Geschichte des Verzählens. Umweltbeschreibung in der Kolonialstatistik,“ panel contribution at the annual meeting of the GWMT, Ingolstadt, 15.9.2023.
- “Introduction” for the conference “The Metrics of Energy. Accounting for Nature in the History of Social Science and Ecological Economics,“ International workshop, organised with Marco Vianna Franco, with the IHS research group Energy, Environment, and Sustainable Economic Structures, Vienna, 15.-16.6.2023.
- “Pacific Data Journeys. The Enquete Tradition and Patterns of Justification in German Colonial Statistics,“ Presentation at the colloquium of the Masarik Institute and Archives of the Czech Academy of Science, Jan Surman, Prague, 27.3.2023.
- “Fragebögen zu indigenen Rechten. Rechtfertigungsmuster in den Akten des Kolonialarchivs“, at the workshop „Akten. Kleine Form und Konvolut,“ organisiert von Felix Lindner, Peter Plener, Julia Steinmetz und Burkhardt Wolf, Berlin, 9.2.2023.
- “At War with Measures. Point Prices and the Development of Value Rationing,“ at the Helvet workshop “Values and Valuations in the History of Economic Knowledge” organized by Harro Maas, Verena Halsmayer and Monika Wulz, University of Lucerne, 13.9.2022.
- “Emerging Scales of Value. Bernhard Laum and Philip Grierson on the Sacred Origin of Money,“ Workshop “The Concepts of Equivalence and Value”, Michael Jursa, Jan Dietrich, working group “Measuring Value and Accommodating the Gods,“ University of Aarhus, (Online), 28.6.-1.7.2022.
- “Posthumanism and Anthropocene as Challenges for Historiography,“ panel in honor of Dietlind Hüchtker, University of Vienna, 14.5.2022.
- “Antiquarische Zahlen und Hafenhandbücher. Zur Standardisierung von Gewichten in Deutsch Neuguinea,“ JKU Linz, Institut für Neuere Geschichte und Zeitgeschichte und Fachbereich Physik, 27.4.2022.

- “Towards Global Histories of Surveying Cultures: Administrative Knowledge Production and Statistics 17th - 21st Century” participant and discussant in a network meeting, organized in Berlin by Martin Herrnstadt (Universität Konstanz); Amadou Dramé (Université Cheikh Anta Diop); Léa Renard (Centre Marc Bloch), 21-22.2.2022.
- “Mismatched Filiations. The Family in German Colonial Surveys on Indigenous Law (c. 1910)” Pre-circulated paper at the reading group “Generation to Reproduction,” Department of History and Philosophy of Science, University of Cambridge, convened by Dániel Margócsy, Staffan and Müller-Wille (Online), 26.10.2021.
- “Introduction“ for the conference “Scales, Norms, Limit Values in Times of (Digital) Change,” joint annual meeting of the German Society for the History of Technology (GTG) and the Society for the History of the Sciences, Medicine and Technology (GWMT), key organizer together with the Technical Museum Vienna, (c. 100 papers), online, 17.-19.9.2021.
- Retreat and Feedback Workshop with Sybille Krämer (Leuphana U) and Tobias Matzner (U of Paderborn), “How is AI Changing Science?“, Kloster Steinfeld/Cologne, 6. - 8.8.2021.
- “Indigene Rechte - Internationale Gesellschaften. Richard Thurnwald und die Kolonialstatistik zu Gewohnheitsrechten im Kontext der internationalen Gesellschaften für vergleichendes Recht” / “Les coutumes indigènes - Sociétés internationales. Richard Thurnwald et la statistique coloniale des coutumes indigènes au contexte des sociétés internationales du droit comparé,” paper at the international conference: Terrains mouvants / Changing Fields / Unsichere Felder: Hilde und Richard Thurnwalds ethnologische Forschung, Paris Sorbonne Nouvelle, 8.- 9.7.2021.
- “Perspectives from the History of Data,” at focus workshop, “How is AI Changing Science?” (online) 7.7.2021.
- “Surveying Rules. Extending the Enquete to German Colonial Situations via the Commission for the Study of Native Law, 1907-1930” Pre-circulated paper with Daniel Midena (Univ. of the South Pacific) im Kolloquium für Kolonialstatistik von Anne Kwaschik und Martin Herrnstadt, Universität Konstanz (online), 1.7.2021.
- “In/accessible fields of technology.” Panel at the international workshop “Research on Research. Methodological Approaches and Empirical Challenges in the Digital Age. Ethnography Meets Artificial Intelligence,” Anne Dippel and Andreas Sudmann for the working group “How is AI Changing Science?”, (online) 22 to 23.4.2021.
- “Worlds of Management: Transregional Approaches to Management Knowledge since 1945” Commentary and moderation at the online-workshop based on circulated papers organized by Katharina Kreuder-Sonnen (Vienna), Lukas Becht (Vienna), Florian Peters (Jena), Vítězslav Sommer (Prague) (Faculty of Historical and Cultural Studies, University of Vienna), 14.to 16.4.2021. “Pazifische Ordnungen. Für eine Epistemologie der Ressourcen,” colloquium for the history of science, Bernhard Kleeberg, Erfurt University, 6.2.2020.
- “Vermessungsregime. Zur Globalgeschichte der metrischen Systeme,” colloquium for the history of science, Omar Nasim and Christian Reiss, Regensburg University, 5.2.2020.
- “Johannes Fallati’s Travels from Door to Door,” introduction to the international workshop: “Data at the Doorstep: Sites and Side Effects of Interrogation (c. 1800-1950),” at IHS - Institute for Advanced Studies Vienna, 23.1.2020.
